Funding Agencies	USDOT, Research and Innovative Technology Administration
Agency ID or Contract Number	DTRT12-G-UTC08
Project Cost	\$42,000
Start and End Dates	January 1, 2012 – December 31, 2013
Project Duration	2 Years
Brief Description of Research Project	The objective of this study is to develop an assessment report which (i) compares the features and potential benefits of various transportation sustainability rating systems for use in MPC states and (ii) provides specific recommendations for potential adoption or adaption of those system(s) by MPC states. If a hybrid or adapted rating system is recommended, follow-up research will be necessary to complete the detailed recommendations of customization.
